**REQUEST FOR REFUND UNDER 37 CFR § 1.26**

Dear Sir:

Applicant paid a fee of \$450.00 for a two-month extension of time in connection with the Election filed on March 6, 2007. This fee was paid in excess of the fees required when the Election was filed. Pursuant to 37 C.F.R. § 1.26, Applicant respectfully requests that this \$450.00 fee be refunded to Deposit Account No. 50-1065.

The Facts associated with the payment of this fee are as follows:

1. On December 8, 2006, a first Office Action was mailed from the USPTO to Applicant's Attorney at Slater & Matsil LLP, 17950 Preston Road, Suite 1000, Dallas, TX 75252. This is Applicant's Attorneys' correct address. The Office Action required that Applicant elect claims for further examination. Applicant was instructed to respond within one month, which would have been on or by January 8, 2007. (The Office Action is attached as Exhibit A.)

2. On December 12, 2006, the December 8, 2006 Office Action was returned to the USPTO as "undelivered." (The returned Office Action with USPTO date stamp is attached as Exhibit B.)
3. On March 5, 2007, Applicant's attorney learned of the undelivered Office Action during a review of the application's status via PAIR. At this time, the original deadline for Applicant's response to the restriction requirement was past, and the response was more than one month overdue. (The PAIR Image File Wrapper index is attached as Exhibit C.)
4. On March 6, 2007, Applicant filed a Response to the Office Action in the form of an Election. Applicant also filed a Petition for a Two (2) Month Extension of Time in order to ensure the Election was accepted after the original deadline of January 8, 2007. (The Election and corresponding Petition are attached as Exhibit D.)
5. On March 7, 2007, Applicant's Deposit Account No. 50-1065 was charged for the \$450.00 petition fee. (Applicant's Attorneys' deposit account statement (redacted) is attached as Exhibit E).

REMARKS:

The need to request a two-month extension of time when responding to the December 8, 2006 Office Action resulted from that Office Action being returned undelivered to the USPTO. Therefore, the response was delayed through no fault of Applicant. Under 37 C.F.R. § 1.26(a) the Director may refund any fee paid by mistake or in excess of that required. Applicant respectfully submits that the two-month extension of time fee was paid in excess of what was required and requests that the \$450.00 fee be refunded to Deposit Account No. 50-1065.

If the Office should have any questions, it is requested that Applicant's attorney be contacted at the telephone number below.

Respectfully submitted,

## **DETAILED ACTION**

### ***Election/Restrictions***

1. Restriction to one of the following inventions is required under 35 U.S.C. 121:

I. Claims 1-6, drawn to a method for minimizing the number of appearances of a given state in a code word generated from data word, classified in class 375, subclass 239.

II. Claims 7-20, and 21-23, drawn to a transmission system, classified in class 375, subclass 259.

2. The inventions are distinct, each from the other because:

Inventions I, and II are unrelated. Inventions are unrelated if it can be shown that they are not disclosed as capable of use together and they have different modes of operation, different functions, or different effects (MPEP § 806.04, MPEP § 808.01). In the instant case the different inventions are claims 1-6 drawn to a method for minimizing the number of appearances of a given state in a code word generated from data word; claims 7-20, and 21-23 drawn to a transmission system.

3. Because these inventions are distinct for the reasons given above and have required a separate status in the art as shown by their different classification and by their recognized divergent subject matter, restriction for examination purposes as indicated is proper.

4. Applicant is advised that the reply to this requirement to be complete must include an election of the invention to be examined even though the requirement be traversed (37 CFR 1.143).
5. Applicant is reminded that upon the cancellation of claims to a non-elected invention, the inventorship must be amended in compliance with 37 CFR 1.48(b) if one or more of the currently named inventors is no longer an inventor of at least one claim remaining in the application. Any amendment of inventorship must be accompanied by a petition under 37 CFR 1.48(b) and by the fee required under 37 CFR 1.17(l).
